

PRINCIPAL & PARENT PARTNERSHIP: OUR JOURNEY

An Achievable Dream Academy

JANUARY 2018

Volume 1 • Issue 4 • January 2018

New Year. New Goal.

As this new year rings in, we often think about goals that we hope to achieve. This year, I would like to challenge all of us to provide time for our children to be children. The realities of the adult world will be there all too soon. As children grow and learn, they find joy and satisfaction in working closely with their families toward a common goal. Such is the case with our Dreamers here at An Achievable Dream Academy. Commitment to the best for our children/students on the part of parents, students and staff is the key to our

success with the children we teach. It is the hope of all of us that we will fulfill this commitment to excellence on behalf of ALL DREAMERS. As a school community, we can work together to build skills and knowledge, reinforce values, and develop a strong sense of self worth. We must invest our time and energies in our most valuable resource - our children. So let's commit to:

- listening to our children read each night, or reading to them
- asking them questions about what they learned in school

- connecting what they are learning to the real world
- talking to your child's teacher
- setting goals with and for them.

Here's to an amazing year!

Yours in Education,

Mrs. Harris

Good to Know Information...

HONESTY is the BEST POLICY!

We are recognizing **Honesty** for our character trait for the month of January. Please express the importance of telling the truth even if they think they will have consequences for their actions. January is the start of a new year and we need your support in starting off with good behavior and awesome listening ears! As parents, we need you to

constantly remind our students to always make the right decisions and follow directions the first time given. As always, thank you for your support in helping us to make a difference in your children's lives. If I can be of any help, please contact me!
