

PRINCIPAL & PARENT PARTNERSHIP

Volume 1 • Issue 8 • May 2017

May Mania

Greetings Dreamer Families, This newsletter is affectionately entitled *May Mania* and describes what school life is like for students, staff and probably you! This month we will begin SOL testing for our 3rd-5th grade students. The SOL testing schedule has been distributed several times, but we are sending it home this week as well. As you know these assessments are very important so please encourage your child(ren) to do their absolute best by taking their time, getting a restful night sleep, and eating a nutritious breakfast.

Warmer weather usually brings about restlessness and eagerness to get out to have some fun in the sun. Please remind your child about appropriate behaviors as we have MANY end of the year activities planned to include dances, special field trips, etc. and we want to include everyone who makes SMART decisions!

As always, we thank you for your support and partnership as we finish the year strong!

Yours in education,
Mrs. Harris
